

Adult Connection Guide

Trail Life is for adults as well as boys. Christian adults are needed to participate as member volunteers! You are invited to join as a member and may be selected to serve in a leadership position, or to serve as a Registered Adult (member who is regularly involved and helps to meet the two-deep safety supervision requirement). We want to know your skills and interests so you can get connected!

Upon completion, please return this to the Troop leader, Point Man, or Regional Team Leader who shared it with you. They can issue a member registration link and help you to connect to the Troop or Area position that suits you best.

Adult members of Trail Life USA complete a registration process that consists of:

- Filling out the online membership application,
- Signing our Statement of Faith agreement,
- Paying the \$26 member fee,
- Successfully passing a background check,
- Receiving Charter Organization certification (for Troop applicant) or
- Submitting a pastoral recommendation (for Area or Region applicants),
- Finalizing online Child Safety Youth Protection Training, and
- Receiving approval from the Trail Life USA Home Office.
